

## ENVIROZORB

### Micro absorbent sponge and carpet cleaner

**ENVIROZORB** is a mixture of miniature sponges that are worked deep into carpeting with our Natural Clean carpet cleaning machines. **ENVIROZORB** further breaks down and absorbs dirt, stains, spills, and odors when agitated into carpeting. This is the most intensive and effective way to deep clean your carpets. Use **ENVIROZORB** in conjunction with **ENVIROZYME** deep cleaning enzyme cleaner.

#### Features:

- Biodegradable active agents
- Neutral pH carpet cleaning solution
- Safe, non-toxic and environmentally friendly
- Uninterrupted carpet use
- Deodorizes and leaves rooms fresh and clean
- Resists re-soiling
- Cost pennies to use
- No drying time
- Prevents wicking of stains and restores carpet

**METHOD OF APPLICATION:** Sprinkle EnviroZorb with applicator at a rate of 200 sq/ft per lb.

#### Application:

1. After pre-spraying with EnviroZyme enzyme cleaner, sprinkle the EnviroZorb on the area to be cleaned.
2. Use Natural Clean machine to brush the EnviroZorb deep in and out of the carpet, thoroughly working in the EnviroZorb
3. Attach receptacles to the Natural Clean Machine and pick up dirt and soil
4. Empty the receptacles in trash
5. Carpet is ready to be returned to traffic
6. Packaging: 24.25 lb pails 35 lb refill boxes

**WHY DRY CARPET CLEANING?** Carpet that is wet for prolonged periods of time fosters an environmental conducive to unhealthy bacteria, mold and allergen growth. Authentic Dry Carpet Cleaning, on the other hand, maintains a healthy dry environment and is an important part of inspiring good IAQ (Indoor Air Quality). EnviroZorb meets or exceeds Green Standards for dry carpet cleaners.

Many people spend as much as 90% of their time indoors, and indoor levels of many pollutants can be two to five times higher than outdoor levels.

The EPA has identified indoor air pollution as one of the top five urgent environmental risks to the public. Exposure to indoor air pollutants such as smoke, dust, pet dander, molds, and other pollutants

Steam cleaning (Hot Water Extraction) can dump buckets of water on your carpet and pad. When left behind, this water can create a breeding ground for mold and bacteria in just hours.

#### DISCLAIMER AND LIMITATION OF LIABILITY

To the best of our knowledge, the information contained herein is accurate. The products sold hereunder shall meet Seller's applicable specifications at the time of shipment. Seller's specifications may be subject to change at any time without notice to Buyer. Buyer must give Seller notice in writing of any alleged defect covered by warranty (together with all identifying details, including the Product Code(s), description and date of purchase) within (30) thirty days of the date of shipment of the product or prior to the expiration of the shipment's quality life whichever comes first. THE WARRANTY DESCRIBED HEREIN SHALL BE IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. The Buyer's sole and exclusive remedy against Seller shall be for the replacement of the product or refund of the purchase price in the event that a defective condition of the product should be found to exist by the Seller. NO OTHER REMEDY (INCLUDING, BUT NOT LIMITED TO, INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR LOST PROFITS, LOST SALES, INJURY TO PERSON OR PROPERTY, OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL LOSS) SHALL BE AVAILABLE TO THE BUYER. The sole purpose of this exclusive remedy shall be to provide Buyer with replacement of the product or refund of the purchase price of the product if any defect in material or workmanship is found to exist. This exclusive remedy shall not be deemed to have failed its essential purpose so long as Seller is willing and able to replace the defective products or refund the purchase price. Final determination of the suitability of the material for the use contemplated the manner of use and whether the suggested use infringed any patents is the sole responsibility of the Buyer.

# Material Safety Data Sheet

## Section I Company Information

### Product Name: EnviroZorb

Company Name: ONYX Environmental Solutions  
137 Cross Center Rd.  
Ste. 246  
Denver, NC 28037  
Phone: 704-827-9368  
Emergency: 800-858-3533

### Product Description

Proper Shipping Name: EnviroZorb  
Identification Number: None  
Hazard Class: None  
Generic Description: Micro sponge carpet cleaner

## Section II Hazardous Ingredients

CAS No	Ingredient	%	TLV
--------	------------	---	-----

## Section III Physical Data

Boiling Point: 212F	Vapor Density: < air
Evap. Rate: <n-butyl acetate	Liquid Density:
Volatiles Vol: 83.9%	V.O.C. N/A
pH: 6	Wt./Gal: 8.4
Appearance & Odor: Slightly yellow solid pulpy state, fresh	

Viscosity: 200 cps

## Section IV Fire & Explosion Data

Flash point: None flash @ boil  
Flamm. Class: None  
Lel: None  
Extinguishing Media: All types as determined by primary cause of combustion  
Special firefighting Hazards: None expected, Use self contained respiratory protection.  
Unusual Fire & Explosion Hazards: None

## Section V Health Hazard

Permissible Exposure LVL: none established  
Effects of Overexposure: Eye and skin irritant  
Routes of Entry: (x) skin (x) eye () inhalation (x) ingestion  
Symptoms: Acute-continuous skin contact may cause dermatitis, will result in irritation eyes.  
Chronic – not known  
Medical Conditions Aggravated: none known  
Emergency Procedures: Remove contaminated clothing and wash contaminated area with plenty of water.  
First Aid:  
**Eyes:** Flush with plenty of water. If irritation persist contact physician  
**Skin:** none  
**Ingestion:** drink large volume of water or milk; prevent vomiting, contact physician.  
**Inhalation:** remove to fresh air

## Section VI Reactivity Data

Stability: () unstable (x) stable  
Hazardous Polymerization: () may occur (x) will not occur  
Conditions to avoid: strong oxidizing agents  
Incompatibility: none known  
Hazardous Decomposition Products: none known

## Section VII Spill or Leak Procedures

Response to Spills: Confine as much as possible. Transfer to containers for disposal  
Waste Disposal Method: Dispose of waste in accordance with Federal, State and Local ordinances.

## Section VIII Special Protection Information

Respiratory Protection: None required if ventilation is adequate.  
Ventilation: Adequate to keep exposure limits below those listed in Section II.  
Protective Gloves: Impervious rubber gloves  
Eye Protection: Chemical splash goggles (ANSI Z 87.1 or approved equivalent)  
Other Protective Equipment: Wear protective clothing to prevent contact with product.

## Section IX Special Precautions

Precautions to be taken in handling and storage; wear protective gloves, goggles and protective clothing to prevent contact with product.
