HUNTERSVILLE, N.C., Oct. 11, 2022 /PRNewswire/ -- Clean power technology innovator ONYX Systems announced a partnership with Janitors Closet, a distributor of cleaning & restoration products, to expedite deliveries of floor cleaning & polishing equipment needed for Hurricane Ian cleanup & restoration. ONYX was quick to commit sizeable emergency inventories of product and allocate this product to support the disaster recovery efforts in Florida. Janitors Closet is inventorying & distributing the full lineup of ONYX riding & walk behind battery and propane powered floor cleaning & polishing equipment out of its Tampa, Florida location.

"We are pleased to have a partner like Janitors Closet to get our cleaning equipment where it needs to go quickly," stated Jeremy Hahne, VP of Sales for ONYX.

Janitors Closet has been making daily deliveries of ONYX equipment to retail, education, and hospitality facilities to restore damage caused by Hurricane Ian's storm surge. ONYX automatic floor cleaning

equipment removes dirty water then cleans and restores floors in a fraction of the time of traditional mopping, allowing facilities to reopen faster. The ONYX equipment allows for a more hygienic cleaning process, using disinfecting solutions and surfactants. ONYX floor polishing equipment is powered by powerful, clean burning propane engines that quickly restore concrete, terrazzo, and vinyl floors to a beautiful shine.

"ONYX has been a great partner in expediting floor cleaning equipment needed for Hurricane Ian recovery efforts" stated Greg Robinson Sr., General Manager of Janitor's Closet.

About ONYX Systems, LLC

Dedicated to a cleaner planet, ONYX provides technology to help power a cleaner future. Headquartered in Huntersville, NC, ONYX products utilize near zero and zero emission technologies to ensure clean, safe, and reliable solutions for commercial operators.
