HUNTERSVILLE N.C., June 24, 2025 /PRNewswire/ -- "We believe that tomorrow can, and will, be better than today. But, it takes a hero to change the world. It takes you. **BECOME HERO.**"

This simple vision inspired ONYX to create a new line of janitorial equipment centered entirely around the true hero of this story: the largely unseen, unsung, hard-working, and humble janitorial custodian who works long hours, often through the night, to keep our environments clean, healthy, and safe. Naturally, ONYX has named this product line: **HERO.**

[Continue Reading](#)

"We recognize that these dedicated custodians work selflessly and tirelessly so that the rest of us, and our loved ones, can enjoy living, learning, and working in a cleaner, healthier world," said Seth Alberty, VP of Engineering and Operations at ONYX. "In every sense of the word, these individuals are the real hero — and **HERO** exists to honor and empower them."

Alberty added, "**HERO** goes far beyond a product line. It's a mindset, a mission, a way of making a difference. The vision of **HERO** empowers all of us to become the best versions of ourselves, so that we may in turn make the world better for others."

To mark this launch, ONYX is introducing two groundbreaking **HERO** products: the T1 Low Speed Floor Machine and the R25 Wet Dry Vacuum.

HERO T1 Low Speed Buffer Line-up

- Effortlessly scrubs, strips, buffs, and polishes floors
- Easy assembly
- Available in 13, 17, and 20-inch head sizes
- Change head size in seconds
- Industrial-quality thick gauge steel design
- Redundant switches to avoid downtime
- Integrated LED light strip for convenience and safety
- Optional accessories include:
 - 4 gallon solution tank
 - 28 lb weight kit
 - Dust skirt and vac port
 - Multiple cleaning and stripping brushes

HERO R25 Wet-Dry Vacuum

- Delivers powerful suction to lift both wet residue and dry dirt from floors for a deep, complete clean.
- Industry-leading 25-Gallon capacity
- Innovative design prevents water and foam ingestion
- Floating front-mount squeegee for unmatched water pickup
- Quick emptying with oversized drain hose and tip and pour features.
- Easy to maneuver
- Rugged toughness
- High-power vacuum
- Industrial-quality all-steel brackets design
- Headlights illuminate your workspace
- Optional accessory kit includes:
 - Extension hose
 - Floor wand
 - Wet squeegee
 - Dry squeegee
 - Crevice tool
 - Upholstery brush attachment

These products are available now through authorized distribution partners. Additional product details, videos, brochures, and promotional materials found at www.onyx solutions.com/hero.

To cement this launch, "**BECOME HERO Day**" is scheduled for July 30th, 2025 and will feature a Become Hero live stream presentation from the ONYX factory, Become HERO focused regional sales representative activities nationwide, Social Media posts and lots of other promotional activity. Additional details can be found at www.onyx solutions.com.

The launch of **HERO** is not just the introduction of machines. It is the ignition of a movement: a movement that recognizes the true hero behind every polished floor, every sanitized hallway, every safer space. **HERO** is a rallying cry to those who show up with grit, with heart, and with purpose to make this world better for others. This is more than innovation. This is tribute. This is transformation. This is your call to **BECOME HERO**.

About ONYX

Based in North Carolina, ONYX is a cutting-edge manufacturer of floor scrubbers, burnishers and concrete polishers, dedicated to enhancing productivity and maximizing cost savings through innovative, high-performance cleaning, and advanced polishing technology. With a commitment to innovation, ONYX is at the forefront of eco-friendly technology.

Our mission is to deliver fast, simple, reliable products that empower you to become your best.
